MOTIWALA GROUP OF SCHOOLS

True leaders are groomed & nurtured over a period of time.

Our mission is to spread the true and beautiful message of ALLAH ﷻ, the highest, in the manner that has been shown to us by our beloved Prophet Muhammad ﷺ and his pious predecessors.

MISSION

To provide education of high quality in accordance with the national curriculum in an Islamic environment. To engage learners in the best possible learning opportunities within which they will experience a broad, balanced and relevant curriculum. To Constantly encourage sense of purpose, self-confidence, respect for others and responsibility towards mankind.

VISION

السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

On behalf of Motiwala Group, I wish you and your family a very warm welcome.

Almighty Allah SWT says in the Holy Quran that we are the best of His creations, born to lead the world; and our beloved prophet Muhammad SAW said acquire knowledge, share it with others and it will increase.

As we know that leaders have to be groomed and nurtured, a strong need was felt in the year 2009 to come up with an institution that can impart quality education and develop the students with a competitive

edge simultaneously holding on to the traditional customs and adhering to the teachings of religion and high moral values. Our school came up as a humble attempt to help students see the world in a new light and carry the mantle of leadership with ease and confidence. It was a long-cherished dream to provide an Educational Institute to the community which is an example of excellence not only in the field of academics but also in nurturing the spiritual concept of humanity and brotherhood, a grooming place for the children to mold them into pious, confident and a visionary personality. Students are accompanied on their learning journey by a qualified and talented team of educators who listen, facilitate, challenge and support in order to create a productive and enlightened community.

AMES Kids

Started in the year 2009 under the aegis of Zulekha Motiwala Social Welfare Charitable Trust, with an aim to become an exemplary school of international standards where students get quality education in a creative and inspiring atmosphere to become individuals of strong character, faith, and ability. Our objective is to provide education, based on a comprehensive learning program that expands far beyond the confinement of a classroom, with unique teaching methods to make learning fun through interactive and engaging experience in a safe, caring and healthy environment. AMES Kids, an Elementary School with a difference, has made a place for itself in the hearts and minds of parents who are concerned about the future of their children. Our goal is not limited to academic excellence and skill development but we also inculcate Islamic values, beliefs, and culture in our students. AMES Kids is associated with many pioneer groups associated with early childhood care and education.

Pearls Academy

CBSE affiliated English Medium School with Islamic thought, was started in the year 2014 as an extension of AMES Kids and with an aim to become a school of excellence where students get unique educational opportunities to become leaders from different walks of life. We are committed to cultivating an educational atmosphere that builds, nurtures and enriches academics combined with Islamic values so that we produce individuals who contribute to the development of the community & nation in particular and humanity at large. Learning at our campus is supported by curricula that have modern dimensions, pedagogy that is driven by technology and infrastructure that matches international standards. We believe in building faith and character to display the best of manners and discharge civic responsibility guided by the Quran and Sunnah. We try to achieve excellence in all aspects of Deen and Duniya. Our facilities include equipped classrooms, sports paraphernalia, skill centers, after school activities and the tarbiyah program.

COMMUNITY CONNECT

Establishing and building on personal relationship of trust is an important element of connecting students with the community. The Joy of Sharing is an annual theme of AMES Kids & Pearls Academy under which learners are engaged in different activities that are conducted throughout the year. We aim to produce selfless, helpful and caring individuals who are responsible for community needs and respectful towards other cultures and beliefs.

COLLABORATION

Collaboration is the building block of our educational ecosystem. At AMES Kids & Pearls Academy we have associated with various professionals, individuals and agencies for educational partnership. Students are given complex tasks that are challenging, stimulating and requires teamwork. Teachers practice, promote and inculcate conflict management, trust-building, active listening and meaningful discussions that aims at strengthening expertise.

UNIQUE LEARNING SYSTEMS

AMES Kids & Pearls Academy follows a unique learning system for inclusive education and differentiated learning. We cater to the needs of learners having different learning styles and levels. The teachers articulate the concepts that focus on the development of multiple intelligences. Unique Learning Systems empowers the learners with complex learning needs to reach their full potential in a learning environment customized for them.

COMMUNICATION

AMES Kids & Pearls Academy provides open channels of communication between student, school and parents through modern technology like ERP, android app, SMS, social media, G-Suite and web portal. IPTM (Individual Parent Teacher Meet) also acts as an important bridging tool. We aim at a school-home partnership for the holistic development of our students. We offer an intensive and comprehensive program of digital literacy and language proficiency.

True leaders
are groomed
and nurtured
over a period
of time.

AMES Kids & Pearls Academy follows seven guiding principles to achieve institutional goals. These are Inspired teaching, Connecting minds, Community connect, Collaboration, Unique learning systems, Communication, Deeniyat & Qaida / Quran. These are the founding principles that show us the path & inspire in our journey to bring up the finest human talent. These guiding principles support the framework of the school curriculum & pedagogy for 21st century skills.

In the quest for excellence, AMES Kids & Pearls Academy strives to face the challenges of the Modern world. Value education is an integral part of our school culture. The Curriculum is based on teachings from the Quran & Sunnah. Deeniyat covers aspects of makharij, tajweed, nazirah & qirat for reading Quran & Duas and aims at memorizing & understanding Quran. AMES Kids & Pearls Academy has a competent team of Muftis, Huffaz, Muallims & Moulimas to implement the deeniyat curriculum.

DEENIYAT & QAIDA / QURAN

Inspiration and Motivation are the key elements of teaching at AMES Kids & Pearls Academy. Educators engage students to explore and extend while they are being explained and evaluated. We strongly believe in developing positive relationships, supportive climate, formative feedback, behavior management and joyful learning. This is practiced by providing multiple opportunities through developmentally appropriate learning experiences. Counseling helps children to learn more.

INSPIRED TEACHING

Knowledge and education for the development of individuals and society are one of the goals at AMES Kids and Pearls Academy. We train our students to gather, analyze and organize information, so as to apply it creatively and critically for decision making, problem-solving and creating new aspects of knowledge. This is achieved by peer learning and teacher-taught-parent connect. Students are trained to develop intra- and inter-personal intelligences through positive and creative expressions.

Value education is an integral part of education at our schools. The courses related to Islamic or quranic studies aim at tarbiyah, i.e., Islamic upbringing of the child for success in this life and hereafter. The objectives include inculcating Islamic belief and values together with correct reading and subsequent understanding of Quran.

DEENIYAT

Islamic Studies include the teaching of Islamic Belief, Morals, Etiquettes, History, Jurisprudence, and Hadith. We have developed our own indigenous curriculum that is taught through modern pedagogical techniques.

QURANIYAT

Quranic studies include the teaching of Makharij, Tajweed, Nazirah, Qirah, and the basics of Arabic grammar and understanding of the Quran. The students memorize a few surahs from the Quran and the masnoon duas.

Hifz Academy

There is a unique program run under Hifz Academy where the students memorize the Quran along with pursuing modern education. We have a team of qualified and professional Huffaz and Quaris to facilitate the young learners. The techniques of neuro linguistics and memory enhancement along with psychological counseling adds further value to the program. The Academic structure is designed to compliment the Hifz studies and deals with the basic learning levels. The students are engaged in sports and recreation for a stress free education. The whole program is monitored by structured assessment system and renowned Islamic & Quranic scholars.

The best among you are those who Learn the QURAN and Teach it.

QUIDA PROGRAM

Quida is started at Grade 1 and is completed in a span of 18 - 24 months. This is run in normal school hours and being in formative years students are given ample time for academic studies.

NAZERA PROGRAM

Nazera is started after successful completion of Quida and it takes around 24 months for its completion. The students have to stay till evening for Quran, Academics & Activities.

HIFZ PROGRAM

After successful completion of Nazera the students are promoted to Hifz which takes around 36 - 42 months for completion. This is a full boarding program where students stay in hostel.

ANNUAL EVENTS
